

GILGAL BAPTIST C H U R C H

We are a mission-focused, family friendly, evangelical, 'Word and Spirit' church in South Wales. Our lovely seaside town is popular for its beaches and watersports. Our aim is 'To know Jesus better and to make Him better known'. In 2022 we completed a major building project, and now we are addressing our strategic goals:

To be a people shaped by biblical values and behaviours

To equip and encourage believers to use their gifts and abilities to serve the Lord

To be creative in sharing Jesus with the community

To be a church that loves families and that families love

We are looking for someone to work with us in our secondary age young people's work and in our local 11-18 comprehensive school. This person will complement and work collaboratively with our part-time children's worker. There is a good team of volunteers serving in our Children's, Youth and Families ministry, as well as a thriving Jelly Beans Toddler Group.

The new youth worker will seek to build on what has already been achieved, further developing 'in church' youth ministry, and be actively involved in the life of Porthcawl Comprehensive School, a successful school of 1,200 pupils, which is in the same street as the church. The school is keen to make use of our recently developed, bright new café area for activities such as a place for sixth formers to use at lunchtimes. We are regularly invited to take assemblies and there is scope to offer other activities in the school.

In addition to having buildings that are fit for purpose we are working to keep abreast of modern worship developments, to serve our community better and to provide the type of flexible facilities that families will enjoy and benefit from. It is our desire to make our church a place of glory to God.
